PRESIDENT'S MESSAGE: I feel both honored and humbled to serve as President of the Pintlala Historical Association. No one could give better leadership than did Jack Hornady. His love for our part of the county, along with his ability to relate well to everyone, made him a most effective president. I am thankful that Jack will continue to be part of the leadership team for PHA.

Our immediate goals as an organization are challenging. In addition to our quarterly meetings, we hope to accomplish three objectives over the next several months:

1. The PHA will acquire a historical marker to commemorate the existence of the Grange Hall in Pintlala. Your gifts can help to offset the cost already incurred. We are indebted to Alice Carter for her leadership in bringing this project to completion. Read about the Grange Hall marker elsewhere in this edition of the newsletter.
2. Much interest has been expressed in compiling and indexing the many articles written by Mildred Smith across the years for "The Montgomery Advertiser." Her vast knowledge of life in Montgomery County holds little value without the accomplishment of this worthy objective. Jack Hornady and Jean Dean will build upon the work begun by Dorothy Samuel.

3. We must enlarge the number of participants in the PHA. You and I have been entrusted with a rich heritage. An organized approach to preserving and perpetuation of our heritage is essential. Bring a friend to our next meeting. Pay the annual membership dues for someone who will be energized by our noble cause.

Last year before the National Press Club, Mrs. Lynn Cheney made the following observation:

“Provocative ideas ought to be welcome on our campuses because they encourage debate. But provocative ideas are not enough. Students need basic knowledge about the American past in order for there to be a real discussion. They need to know about great events and brave men and women and what has been achieved in America if they are to respond thoughtfully to claims that none of these things matter.

Insuring the historical literacy of the next generation is not solely the responsibility of schools and colleges, of course. Parents and grandparents and other adults should talk to children and young people about the American past. We should be reading ourselves, constantly refreshing our memories so we can tell the next generation about the founders of this country, so that we can talk to them about George Washington’s bravery, and John Adams’ determination, and Thomas Jefferson’s eloquence. We need to know so that we can tell them about the courageous men and women who inspired us to live up to the ideals that the Founders advanced.....”

**PHA PROGRAM**

PHA will have a special field trip for the April 27th meeting. Lee Barnes has graciously agreed to let our group visit his home on Highway 331. This house was built in 1898 by prominent Montgomery County educator, Justus McDuffie Barnes who was Lee’s great-grandfather. The house was built on 10 acres of land in Montgomery near what is today the corner of Fairview Avenue and Norman Bridge Road. The house was moved circa 1917-1918 to its present site on 331 by Mr. Rawdon Barnes, Sr. Lee has worked hard at preserving the Barnes home of which he has many fond childhood memories.

Those who would like to carpool or ride on the Baptist Church van may meet at Pintlala Baptist Church at 2:15/ We will leave at 2:30 to go to the Barnes home. If it is more convenient for you, you may meet the group at 2:30 at 12196 Highway 331. (Number is on mailbox.)

If you are heading north on 331, the house is the second house on the left after the deer processing plant. If you are headed south on 331, it is the first house on the right once you are in the passing lane. *(Thanks to Alice Carter and Lee Barnes for arranging this great tour!)*

HEARTFELT SYMPATHY: PHA members extend heartfelt sympathy to the families of our members and friends who have recently lost loved ones, including the families of Mrs. Suzie Boyd, her son, Cottrell (Pete) Boyd, and Mrs. Jewel Dean Poole.

WELL WISHES: We hope that W. C. Hornady, Pintlala, Thomas and Joan Ray, Mr. and Mrs. Lymon Hawkins, all of Pettus Road, and all our other friends who have not been well are feeling MUCH better!

JANUARY PROGRAM: **Mrs. Mary Ann Neeley** presented an *OUTSTANDING* program about historic Montgomery County and our community in particular. She also brought pictures and articles that the attendees delighted in perusing them and commenting about memories of those "good old days." Information about the Grange Hall, in particular, evoked happy memories of Scout meetings, cooking classes, and many other activities. *(Also, during the Alabama Cattlemen's meeting in February, I was fortunate to join Mrs. Neeley in her narrated trolley tour of Montgomery. I had never before been on such a tour, and enjoyed it immensely! JCH)*

REMINDER ABOUT PHA 2003 MEMBERSHIP DUES: If you have not yet renewed your 2003 membership, please send \$10.00 to the Treasurer or mail your check to: Thomas Ray, 2995 Pettus Road, Hope Hull, AL 36043. Also, please invite any prospective new members. There is a one-time fee of \$15.00 for initial membership, and \$10.00 per year thereafter.

THANKS TO MAMIE SELLERS for submitting the excellent account of **Mt. Carmel Cemetery**. And thanks to all the others who have contributed to the compilation of this information, including Lurlene Hall, Vera Sellers Kraus, Catherine Sellers, Mildred Shirley, Zelma Guy Davis, and Corrine Guy Scaife. The information was especially intriguing, as their comments answered many questions (and posed others) about families in this area. Some markers, inscribed with only the birth dates of persons who are still living, proclaim that many

people who grew up here or had connections with this area have chosen Mt. Carmel Cemetery as their final place of rest.

HAPPY BIRTHDAY TO RUTH MADDOX DAVIS! Ruth's children and grandchildren honored her with a recent birthday celebration at Cauthen's Barn on Pettus Road. Everyone was especially glad to see that she had sufficiently recovered from her recent illness to entertain her many friends and relatives who attended that festive affair!

CONGRATULATIONS TO OUTSTANDING YOUNG STUDENTS IN OUR PHA FAMILY! Will Carter, son of Alice Carter and the late Bill Carter of Hope Hull, received the Dr. G. J. Cottier Scholarship at Auburn University's College of Veterinary Medicine. This award is made to an outstanding student who is interested in a large animal practice.

Grant Lassiter, son of Frank and Sandra Lassiter of Pintlala, is the recipient of a four year scholarship to the University of South Alabama in Mobile. Grant, who will graduate from Hooper Academy in May, plans to first attain a BS in nursing and later go on to medical school.

We are very proud of these young men! We hope they decide to practice here so our community can look forward to excellent health care for both our families and our "critters".

### **PHA BOARD APPROVES PROJECT**

The officers and board of the Pintlala Historical Association met on March 16th and voted to fund the placement of an historical marker designating the site of the Pintlala Grange Hall.

The text for the marker has been approved by the Historical Marker Committee of the Alabama Historical Association. The text features the Grange Association on one side and the Grange Hall School on the other. The cost for the marker, which includes a mounting post and shipping, is \$1,485.00. The PHA board voted to use funds from the Marker Fund to expedite this project.

We hope that those who are interested in perpetuating the existence and history of the Grange Hall might take this opportunity to contribute to the Marker Fund. This will avoid depleting this fund. What an ideal way to give memorials or honoraria for loved and admired ones. The PHA welcomes any and all donations. Checks made to the PHA may be sent to Thomas Ray, 2995 Pettus Road, Hope Hull, AL 36043. Please mark check "marker fund". If you send donations designated as memorials/honoraria, notes will be sent to families informing them of the contribution.

Why a marker for the Grange? After Mary Ann Neeley's presentation at the last PHA meeting, several of our members realized that many people had no clue as to what the Grange was or where it had been located in Pintlala. Future generations certainly would not have this knowledge. There is, however, grange information on file at the Pintlala Library. For these reasons, it was felt that a marker was needed to recognize the Grange and its place in the history of the Pintlala community.

In 1978, the building was in a dilapidated condition and abandoned. At the initiation of the Landmarks Foundation, the Montgomery County Board of Education, as owners of the building, donated it to Landmarks to be used at Old Alabama Town. Mr. Ed Lowder of the Alabama Farm Bureau gave \$20,000 to aid with the moving and restoration of the Grange building which had played such an important role in the agricultural heritage of our state.

We are fortunate that the Grange Hall building has been restored and is a vital part of Old Alabama Town. We encourage those interested in the Grange to visit it in Montgomery. We hope all PHA members and other interested persons will aid us in this worthy project.

TEXT of Marker as Follows:

Side 1

### Pintlala Grange Hall

The National Grange of the Patrons of Husbandry was organized in 1867 to provide economic, social and cultural improvements for farmers and their families. Pintlala's Grange Hall was erected circa 1875 on land adjacent to this marker. By the 1890s the popularity of the Grange began to wane. On July 21 - 23, 1891, the last meeting of the Alabama Granges took place in Pintlala. The Federal Land Bank was organized as the National Farm Loan Association of Pintlala on August 17, 1917. Grange Hall was the site of their regular meetings.

### Grange Hall School

From circa 1880 to 1922 school was held in one room of Grange Hall for seven months a year. Pintlala School was built and opened in 1923 and the Board of Education purchased the Grange property. The building was used for home economics classes and, from 1931 to 1952, served as home for Pintlala School caretakers. Over the years it was site of community dances, a meeting place for Boy and Girl Scouts, and the Pintlala Baptist Church (1960). Vacant and deteriorating, the building was given to Landmarks Foundation and moved in 1978 to Old Alabama Town, Montgomery, Alabama.

## *Mt. Carmel Cemetery*

At Mt. Carmel United Methodist Church  
Hickory Grove Rd. Montgomery, County, AL.

Mt. Carmel is a very interesting study in demographics and family relationships. Most of the families interred at Mt. Carmel Cemetery are related to each other in some way through the families who settled the area in the early part of the 19<sup>th</sup> century. Some of these families migrated together from Georgia and/or the Carolinas. Quite a few of these families can trace their lineage back to the Mayflower passenger Edward Doty through the ancestry of Levinia Brack Anderson and her children.

Mt. Carmel Cemetery was inventoried by Lurline Hall and Laurie Sanders June 4, 1992 and updated by Lurline in 2000 and 2002. This alphabetized list with relationships was prepared by Mamie M Sellers during the year 2000 with additions in 2002. The relationships shown are derived from data compiled by many individuals both from personal recollections and documented sources. Not all those who may have contributed to this data base are known to the compiler but included are: Lurlene Hall, Vera Sellers Kraus, Catherine Sellers, Mildred Shirley, Zelma Guy Davis, Corrine Guy Scaife, and Mamie Sellers.

This is a work in progress. Additions and corrections will be gratefully received and incorporated into the document. Contact Mamie M Sellers ( Mrs. Ronald E.
